I Learned From *My Wife!*

Men, Women, Marriage, Kids and Family At Their Laugh-Out-Loud Best!

"The sign of true comedy talent is in how your act is so clean yet you still keep 'em howling! I hope the standing ovation you received let you know how much our people loved your show."

- Citibank

"Your family-friendly comedy was perfect for our conservative audience and had the entire room in stitches all night. Your standing ovation was true confirmation of everyone's delight."

- Florida Bankers Association

"One word . . . OUTSTANDING! Best in years. Not only funny, but good clean humor. Not one person in our audience could take offense - which coming from Utah is quite an accomplishment!"

- Utah League of Credit Unions

**Rex Havens** takes the very heart of the world around each of us, applies his own gentle combination of logic, bemusement and insanity, and offers it back to his audience in a way that is engaging, thoughtful and hilarious.

Rex has been delighting comedy audiences for 20 years, in world-famous comedy clubs like The Improv, Catch-A-Rising Star, Funny Bones and Zanies, on television for Showtime, Comedy Central and Comic Relief, on radio with Bob & Tom and NPR, cruise ships worldwide, and corporate clients including GM, American Express, Texaco, 3M, Coca-Cola, IBM, Toshiba, Lowe's, Johnson & Johnson, Ameritech, Proctor & Gamble, State Farm, Quaker Oats, Verizon and the IRS ("Working for the IRS is the only sure way to get money from them."), and numerous non-profit and charitable organizations, such as St. Jude's and the Make-A-Wish Foundation.

A former college professor who made the unusual transition to the standup comedy stage in the '80's, Rex has always believed that laughter is the best defense against a confusing and challenging world. Rex's take on marriage and family has propelled him to performances in all 50 states and around the world, including London, Hong Kong, Amsterdam, Bermuda, Montreal, Barcelona, Copenhagen, Aruba, Rome and Cannes.
